Vision:

To see Plains Presbyterian Church glorify God through integrating people with differing abilities into the life and the mission of the church.

Mission Statement:

This ministry is dedicated to serving people with special needs and their families. We recognize at Plains that God has fully equipped each of us to do the work that He intends and that the people with disabilities are no exception to this truth. We consider it our responsibility and calling from God to reach out to those people with special needs because this ministry represents the very heart of God. We are committed, not to just serving these individuals but to equipping them to become vital members of the body of Christ. Ultimately, we live to demonstrate to people with special needs the magnificent beauty of Jesus Christ and the power of His life-transforming presence.

Invitation:

We welcome you and your family to join us each Sunday as we worship our great God. PPC offers two worship services, Fellowship in the CLC and Sunday school.

Mission:

To inspire, educate, equip and encourage Plains Presbyterian Church toward a biblical perspective of inclusive relationships with individuals and families touched by disabilities.

Respite:

PPC Lighthouse Ministry offers respite nights for families who are touched by disability.
